Paige,

I am generally fine with the OMB comments.

Lee,

I wanted to follow up on these since I'm on travel the next few days. I know you have tons going on in OW, but if you could find time to take a look at these, that'd be great.

I'm CC'ing Maria Williams, Deputy Director of the Office on Budget, on these in case it needs to be tomorrow.

It's so nice to have a Hill veteran in your role who understands the role these play!

All the best,
Paige

Lee,

These OMB edits all look fine and value add to me, but your team is the expert on this. Are you okay with these?

Deliberative Process / Ex. 5

Thanks, as always, for making sure we have good responses.

All the best,
